Receiving Electronic Files

WE PREFER an Adobe Acrobat PDF v4 or higher at 300 dpi with all fonts embedded.

PLEASE NOTE: We DO NOT ACCEPT ads in Microsoft Word, PowerPoint, Publisher or WordPerfect

Send to: production@beenews.com

Please include in your email the name of the merchant, publication date(s), the Bee Publications Salesperson's Name and your telephone number.

Please call our production manager at (716) 204-4948 for more information.

Production Schedule for Electronic Files

Please send your electronic files by 4 P.M. Friday prior to the publication date. Bee Group Newspapers production staff will do everything possible to make sure the file runs properly. You may send a laser proof of the ad so output may be checked to ensure accuracy against your original. We will also print and return a copy of the completed ad for approval, if you so desire.
All electronic files are checked using Enfocus PitStop and Adobe Acrobat programs.

Photographs: We would prefer 150 pixels per inch. Best size: 1,200 pixels x 1,200 pixels at 300 dpi
